

MENU

Food plays a big part of all Pukete Neighbourhood House OSCAR Programmes. Unlike many other programmes, **ALL food is included in your fees!**
No hidden extras, and no need to make lunches!!

Our trained, in-house chef produces fresh, healthy, and amazingly delicious food items every day. **Covering breakfast, morning tea, lunch, afternoon tea & snacks!!**

What might you find on our menu?

Meals such as; burgers, nachos, macaroni cheese, butter chicken, pasta bake, packed lunches and more!

Do children have input

Our kitchen team also go a step further, ensuring that many of our daily meals are interactive cooking/food experiences for our children.

The Pukete Difference!

Many holiday programme providers do not offer food as part of their programme... At Pukete Neighbourhood House we are different!! Food brings people together

What if my child has a dietary requirement?

We can cater for all dietary requirements, provided this information is supplied to us upon enrolment and/or booking completion. Unfortunately we cannot cater for "like or dislikes", so if there is a menu item your child doesn't like you are welcome to provide their own food for that day

Please note, water and fresh fruit is made available to children all day

If you have any questions, please feel free to speak with one of our friendly team – They are happy to help!
